About me: Hi! My name's Marion. I'm ten years old.

I have a small family. I have one brother. He is 15 years old, his name is Kylian and he is 1.90! I have a dog, she is a female. And her name is Sun. She is a pug. I'm really a great pupil, I'm the 2<sup>nd</sup> of the class. My best friend's name is Emma. She is like me a little bit crazy, she is a scorpion and I'm Leo and we can see it...

My portrait:

I'm really tall, I am 1.49! I think I'm very beautiful. I have long hair. My eyes are: green, brown and a little bit yellow. I'm not big but I'm not thin, and I like it. I have my cute nose. I don't like my mouth, I have new earrings!

My hobbies

On Monday and Thursday, I have karate. I often play with my dog. She's really funny. On Tuesday, I swim with my class. And on Friday, I have PE with my class too. So, I have a busy week.

To protect our environment,  
improve our quality of life,

preserve our health, AND participate in the fight against  
global warming :

- Stop hurting animals
- Stop the wars
- Stop wasting the paper
- Don't forget to turn off the light
- Recycle water of rain
- Take care of the animals

Juliette Pasquier

Eco-Schools 2023

L'Ecole des Révoires  
MONACO/

GLOBE Academy,  
ATLANTA, USA

About me : My name is Juliette, I'm 16 years old, I'm a genius, I was born in May. I have a big sister. She's silly but I love her. I live with my mom and my dad. Next year, my sister is going to Madrid for her studies. I live in Monaco, but I have a country house and a mountain house. I have two really close friends and two best friends. I don't have any animals.

My portrait : I'm also a pretty much successful student.

I have blond hair, light brown eyes, and I have to wear glasses. My hair is straight and long. I have a birth mark on my back. I am thin, I am around 145 cm and 150 cm tall. I don't have freckles.

My hobbies

I ski. Since I am 2 years old, I am at a competition level, and I did 5 years of gymnastics. I love to read, sleep and spend time with my family and friends. Once or twice a month, I visit my grandma. In summer, I go biking with my friends and family.

To protect our environment,

improve our quality of life,

preserve our health, AND participate in the fight against

global warming :

- Make EVERY food more healthy, environment-resistive and organic / grow more healthy food
- Add more connected light for people who don't usually turn off the light.
- consume less // stop animal testing
- plant trees everytime a certain amount of electricity is used
